

# Speak up to be Safe from Abuse Communication board – general vocabulary

**Instructions** - This communication board set has a picture board, alphabet board and female and male body boards. Place the boards on a flat surface or hold where the person can see it/point to it. The person will point to pictures or letters. If the person cannot point - ask row by row, and then column by column, to find out the message. There is a place to draw/write on the alphabet boards. If you need more words, use the Speak up to be Safe from Abuse Communication Book.
